

Remarks

The indicated allowability of claims 4, 5, 7, 8, 11 and 12 is noted with appreciation. By way of the foregoing amendments, claim 1 has been amended to include the features of allowable claim 7. It is noted that features of claim 6 already are present in claim 1 and therefore duplicative features have not been added to claim 1. The other amendments provide for improved grammar and antecedent basis, or arise from the amendments made to claim 1 or a claim being amended to depend from another allowable claim. The remaining rejected claim has been deleted.

All of the claims are now in condition for allowance.

In view of the foregoing, request is made for timely issuance of a notice of allowance.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, LLP
